This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Consultation Process: Comments or the Residents Advisory Board or Boards & Explanation of PHA Response**

**BEFORE THE PUBLIC HEARING:**

On February 6, 2007, a meeting was held with the Participant (Resident) Advisory Board to revise the Plan Draft. Those that assisted were oriented regarding the role and responsibilities of the Participant Advisory Board, as per the 24CFR903.13, the Notice 2000-36 (HA) and HUD webpage.

Once the assistant were fully informed about the need of their active participation in the Section 8 Program, they were brief about the PHA Plans processes, which included the presentation of the last approved Plan and the 2007 Annual Plan draft (a copy of both Plans were given to them for review). The plan components were fully discussed in Spanish as well as all its Appendixes and Supporting Documents. Also they were informed about the availability of all the Section 8 Program documents and rules, for review not only during this process but at any time during working hours.

One of the participants gave her testimony as a beneficiary of all housing opportunities in the Program, beginning with project based, regular section 8, and finally as a homebuyer through out the Homeownership Option.

At the end of the presentation they were asked to bring more commentaries and suggestion at any time during the process and at the Public Hearing, to be held on March. They were urged to bring before the Public Hearing, any additional matter or information they wanted or will liked to be provided during the Hearing, specially of those other initiatives and programs that the PHA have available, as well as of any component of the Plans.

The Plan draft was fully discussed and reviewed. Those that agreed become the Participants Advisory Board. Due to the fact that doubts were clarified, the Participants (Residents) Advisory Board endorsed the PHA Plans.

**AFTER THE PUBLIC HEARING:**

The Board and those that attended to the Public Hearing were given information regarding the PHA's Annual Plan.

Due to the fact that the Plan was revised and there were no further changes or comments, the Board endorses the PHA's Annual Plan.
